## EDUCATION

Bachelor of Technology in Computer Science, *GLA University, Mathura*, 83.8%

June 2027

Intermediate, Baluni Public School, Agra, 70.2%

May 2023

High School, St. Paul's church College, Agra, 95.4%

May 2021

## INTERNSHIP/ TRAINING EXPERIENCE

BAOIAM Innovations

June 2024 – August 2024

Front-End Developer Intern

- Designed and implemented responsive interfaces using HTML, CSS, JS, and React.
- Collaborated with product managers for requirements and process improvement.
- Worked on the Divueens – Makeup eCommerce platform: built responsive UI components, integrated product listing, cart, and wishlist features using React.js, Tailwind CSS, and Figma

## PROJECTS

Blog Site <https://priyansh-blog-site.vercel.app/>

June 2025 – July 2025

- **Contribution:** Sole developer; independently built the entire blogging platform, managing everything from UI to backend integration, authentication, and dynamic features.
- **Technologies/Tools Used:** React, Vite, Tailwind CSS, Firebase, JavaScript

DocsQA: Your Modern AI Assistant for Document <https://ai-hack-olxwtaxj79mi3eeaz3sfzl.streamlit.app/>  
Individual Project (Jul 2025 – Aug 2025)

- Built and deployed a modern AI assistant for document question-answering, summarization, and source highlighting using Python, Streamlit, and NLP/ML models.
- Developed a responsive and interactive UI/UX for seamless user experience.
- Integrated REST APIs and dynamic document processing pipelines for real-time responses.
- Ensured high availability with cloud hosting on Streamlit and uptime monitoring via UptimeRobot.
